Say hello to the Creek
To Coast crew at this
years Comp!

Want to see yourself on Channel 7's Creek to Coast?

We'll be filming at this year's Comp and we'd love to see your bag! Here's a couple of tips that will help us show off your haul on the show!

- Clean the lens on your phone - you'll get a clearer video.
- Film in landscape - phone longways (or on its side).
- Tell the camera what you caught, and how you caught it!
- hold the phone steady when filming - unfortunately we can't use shaky videos.
- Show us the lure in the gob or close up pics of your impressive catch.
- Please no swearing, or any smoking/drinking in the background.

Upload your videos here ASAP:

Good luck!! We can't wait to see what you catch, big or small!!
